Centering Around Science Standards

June 8, 9, & 10, 2009

Grades K-2

Sponsored By:

Centering Around Science Standards For Grades K-2

How will this impact my students?

Puts the wonder back in science

Differentiates instruction to effectively engage and motivate all of your students

Provides ready-to-use research-based best practices

What are the outcomes of this course?

- ⊙ Participants will use learning contracts and hands-on centers to differentiate science at their specific grade level
- ⊙ Participants will be able to better monitor individual student's progress and provide specific support
- ⊙ Participants will be able to design their own differentiated unit in order to address all students needs
- ⊙ Participants will have a better understanding of the Ohio Academic Science Standards

What is it?

3 Day Science Workshop

When is it?

June 8, 9, & 10, 2009

What time is it?

8:00 to 8:30 Registration

8:30 to 3:30 Workshop

Where is it?

**Clermont County Educational Service Center
2400 Clermont Center Dr.,
